(Est)=The only known copy of this show (as of Feb 13, 2009) is damaged. These positions are estimates based on the previous week's positions. Chart data comes from the CT40 Feb 27, 1993 show of movements up, down and announcement of droppers (songs falling out). Assuming that Casey's Countdown and CT40 played the same Requests and Dedications each week, these would have been the ones played on the CT40 show for Feb 20, 1993.
